21st March 2025

Malta's Food Management Industry Awards is the premier annual awards initiative for Maltese food manufacturing and associated sectors. This esteemed awards programme, which consists of a vigorous judging period and 5-star Awards ceremony, celebrates those who work tirelessly to keep the nation fed.

The programme honours innovation across a range of the food industry's subsectors, awarding ingredient suppliers, machinery and equipment companies, trade organisations, retailers, packaging manufacturers, product innovators and training schemes. It's an opportunity to applaud the excellence and creativity of the people driving the industry forward.

30th January 2025

For Dynamic Events Ltd innovative shipping standards, best maritime and shipping practices, as well as young entrepreneurship are in focus, each with its own award. The Malta Shipping, Transport & Logistics Awards 2025 program will also see limelight this year, aimed at recognising past triumphs and acknowledging the future strategies of logistics and supply chain companies from around the region. The awards will cater to individuals and companies from a variety of sectors – from transportation, cargo, and warehouses, to e-commerce, supply chain, and technology. Companies are welcome to nominate people, projects, and facilities across 70 categories; the entries will be judged by a carefully selected panel of industry experts.
